

This Conference brings the phase change community together to discuss the latest technology achievements and their possible new application areas. An important goal of EPCOS is to provide an informal atmosphere to encourage interactions among participants and provide fruitful interactions between technology leaders of industry and academia.

Conference Chairman

Matthias Wuttig (RWTH Aachen Univ. Germany)

Vice Chairman

Junji Tominaga (AIST, Tsukuba, Japan)

Program committee Chairman

Bart Kooi (University of Groningen, Netherlands)

Abstract submission

oral and poster contribution:
April 20th-June 11th

Registration

<http://epcos2018.imm.cnr.it/>

Invited Speakers

H.-S. Philip Wong / Kye Okabe

(Stanford University, USA)

Feng Rao

(Shenzhen University, China)

Mattia Boniardi

(Micron, Italy)

Abu Sebastian

(IBM Research–Zurich, Switzerland)

Karl Opsomer

(IMEC, Leuven, Belgium)

Min Gu

(RMIT University, Australia)

Matteo Cagnoni

(RWTH Aachen, Germany)

Harish Bhaskaran

(University of Oxford, UK)

Stefano Ambrogio

(IBM Research – Almaden, USA)

Raffaella Calarco

(Paul-Drude-Institut für Festkörperelektronik, Germany)

Jamo Momand

(University of Groningen, The Netherlands)

Andriy Lotnyk

(Leibniz Institute of Surface Engineering – IOM, Germany)

Yuta Saito

(AIST, Tsukuba, Japan)

Wei Zhang

(Xi'an Jiaotong University, China)

Eric Pop

(Stanford University, USA)

EPCOS 2018

European \ Phase Change and Ovonic Symposium

23~25 September 2018

Museo Diocesano

Catania – ITALY

Hosts:

Giuseppe D'Arrigo (IMM, Catania, Italy)

Massimo Longo (IMM, Agrate, Italy)

Emanuele Rimini (University of Catania, Italy)

Conference sessions

The oral sessions will take place in the **PINACOTECA**, at the second floor, in the Museo Diocesano. A laptop will be available for use by oral presenters; presentations should be loaded onto this computer in the break(s) prior to the talk being given.

The poster session (3:30 – 5:00 pm, Monday Sept 24th) will be held in **SALA POLIFUNZIONALE** in the Museo Diocesano. Posters should be mounted on the boards provided, in a break prior to the session. Posters can be left on the boards until after lunch on Tuesday Sept 25th so that they can be viewed outside the scheduled poster session.

Internet connection

A WiFi connection is available at the Diocesan Museum. The login credentials will be provided at the Conference venue.

Museo Diocesano visit

The **Museo Diocesano** and the **Terme Achilliane** may be visited free of charge during normal working hours, unless it is closed for a special event.

Department of
Physical Sciences and
Technologies of Matter

Social program

A **Welcome Reception** (included in the registration fee) will be held for delegates from 6:30 – 7:30 pm on Sunday Sept 23th in the Museo Diocesano.

Conference Dinner

The Conference Dinner will be held in **Palazzo Manganelli** at 7:30 pm on Monday September 24th. A Conference Dinner ticket will need to be surrendered in order to access the Palazzo Manganelli.
